## A NOTE FROM THE EXECUTIVE DIRECTOR

KanFest '98 - is it a convention after all? In a way, yes. We're all going to gather under one roof and have the biggest theatre party in the entire state of Kansas. But with a slight difference. We hope to continue to reshape AKT into an organization that truly serves the state-wide theatre constituency.

Exciting things we'll provide—

- including Kent Brown. Many of you will remember Kent. He was an adjudicator at several Kansas AACT/FEST's and always one of the most popular. He is also a wonderful workshop presenter and teacher. Kent will do workshops on acting and directing and then another on Festival do's and don'ts from an adjudicator's standpoint. Kent asked me to relay to all of you that it would be great if you could have a short scene or monologue prepared for his workshops. So let me know if you're coming, and if so, what you might like to work on with Kent.

- and James Buglewicz, who we met at the MOKAN bi-state Thespian conference in Springfield, Missouri. He's great, he works

well with all age actors and will give us a chance to get in front of a camera and check out audition and performance techniques.

- vendors - - we'll have an exhibition area that can include your theatre as well as commercial vendors. To date, we already have five and are expecting more than a dozen. We'll finally have an actual "display" area.

Exciting things you'll provide —

- there's going to be a Showcase of performing artists from the AKT membership and the Kansas Touring roster. What a great chance to see what's going on and available around the state.

- we're going to meet and plan for cool things next year. We've been asked to host the regional AACT/FEST and we need a site for our own state wide. Get in on the planning and make AKT fit your needs.

Sign up now! We do have generous support from the

Kansas Arts Commission for this conference, but we need you there. We'd like over 100 persons attend KanFest '98 as we pave the way for a future Arts Industry Conference. Make sure you're a part of this wonderful renaissance of AKT.

"I believe the one thing we all have in common - regardless of our division affiliation - is a passion for theatre in Kansas."

## FROM THE PRESIDENT . . .

Greetings! The Board of Directors met in Topeka in January and plans are underway for a great year of AKT activities. One item we discussed was membership. There always seems to be confusion about when to renew your membership in AKT. As I read newsletters from other theatre organizations, I realize AKT isn't the only group with this dilemma. People tend to wait until convention to renew their membership, but our fiscal year - and thus our membership year - is from July 1 - June 30. When too many people wait until spring to renew their membership, it puts a serious crunch on our cash flow the first half of the year. How would your theater manage if your members waited until halfway through the season to get their

tickets? If you haven't renewed your AKT membership yet, please take a minute right now to send us your check.

AKT Regional Professional Auditions are coming up soon in Kansas City. The auditions will be attended by many professional producers, directors, and casting agents in the region. In addition to actors' auditions, there will also be interviews for technical positions. I'm sure SCT isn't the only theatre looking for designers and TD's, so I hope we have a good turn out. There is a big demand for technical staff and this will be a good way for technicians to find both summer and permanent employment.

After auditions, the next big event is convention. This year, AKT will be a little later, April 3-5 at the downtown Topeka Holiday Inn. In addition to showcases from AKT theaters and Kansas Touring Program artists, we're planning some interesting workshops in a variety of areas, like acting, directing, and marketing. Don't miss convention '98. It's the one time in the year when we can get together from all across the state to swap stories, pick each other's brains and share triumphs and heartbreaks.

Negotiations are underway for a mini-conference for the Historic Theatre Division later this year, hopefully in western Kansas. We're working to include the League of Historic American Theatres and to have the conference at one of the theatres currently being restored.

KANSAS is the site for the '99 Regional AACT-Fest! Plans are being made for the state festival early in 1999. It's not too early to begin thinking about your entry for AACT-Fest '99. We want to have a good turn-out for the state festival and strut our stuff at regionals!

It is taking me a little while to get myself acclimated to my new office as AKT president, but I think I'm getting up to speed. I believe the one thing we all have in common - regardless of our division affiliation - is a passion for theatre in

Kansas. I'd really like to hear from you, the people of AKT, to hear your ideas and concerns. I need your input to make AKT the organization all Kansas theatres want to join. Please let me hear from you, by phone or fax, e-mail or snail mail. I can be reached via AKT, or at my home base, Salina Community Theatre, or even my "other" home in Assaria (the number there is 785-667-4685.) Give me a call or drop me a line.

I look forward to seeing you at convention in April.

—Deb Wall  
AKT President

## MOKAN BI-STATE THESPIAN CONFERENCE UPDATE:

While in Springfield, MO, AKT sponsored a booth, 4 workshops in playwrighting and improvisation by Executive Director, Ric Averill and 5 workshops in playwrighting and improvisation by guest artist, Max Bush. The Workshops were full, with anywhere from 20-40 students per session. At the general meeting Friday night, Kansas State Director, Max Friddell stood up and gave a special thanks to AKT for sponsoring Max Bush and Ric Averill at the conference.

Bush did excerpts from his play, *Sarah*, which had recently been performed at Lawrence High School. Bush also did improvisation sessions designed to help actors "play." Averill also did a workshop on "conflict-based improvisation".

The conference featured over 1,400 high school students and their teachers and gave AKT a wonderful visibility across both states. Thanks again to the Kansas Arts Commission for supporting the guest artist fees for Max Bush.

There will be something for everyone - Awards, a Sunday Banquet, Networking, and just plain fun!
